## GUIDED TOUR OF SOME OF THE ZOO'S HIGHLIGHTS

ZOO  
ANTWERPEN

The animals in a zoo are the **ambassadors** for their counterparts in the wilderness and for nature conservation. It is impossible to visit all our animals in an hour. But we will meet a couple of very important ambassadors. You will find out about their **breeding programmes**, our own **scientific research** and several interesting aspects about these animals. Flamingos, okapis, spectacled bears, macaws, lions: we are doing our utmost **to save them from extinction**, in the ZOO as well as in their own habitat.
